THE 1949 CAP AND GOWN

UNIVERSITY OF THE SOUTH, SEWANEE, TENNESSEE

GEORGE C. BEDELL, II
EDITOR-IN-CHIEF

CHARLES P. GARRISON
BUSINESS MANAGER

"THERE'S NO WAY TO TELL OF YOUTH OR OF SEWANEE, WHICH IS YOUTH, DIRECTLY; IT MUST BE DONE BY PARABLE," WROTE WILLIAM ALEXANDER PERCY IN HIS AUTOBIOGRAPHY, LANTERNS ON THE LEVEE. IT IS FROM HIS IMPRESSION OF SEWANEE THAT WE DRAW OUR INTRODUCTION.

"IT'S A LONG WAY AWAY, EVEN FROM CHATTANOOGA, IN THE MIDDLE OF THE WOODS, ON TOP OF A BASTION OF MOUNTAINS CRENELATED WITH BLUE COVES. . . . IN WINTER THERE IS A POWDER OF SNOW; THE PINES SAG LIKE LADIES IN ERMINE, AND THE OTHER TREES ARE GLASSY AND GIVEN TO CREAKING."

"THE COLLEGE HAS ABOUT THREE HUNDRED YOUNG MEN OR INMATES,
OR STUDENTS AS THEY ARE SOMETIMES CALLED, AND BESIDES, QUITE A
NUMBER OF OLD LADIES, WHO ALWAYS WERE OLD AND LADIES, AND WHO
NEVER DIE."

"YOU MIGHT STROLL ACROSS THE CAMPUS AND QUADRANGLE OF A SUNNY AFTERNOON AND GUESS FROM THE EMPTINESS AND WARM QUIET THERE THAT THEY HAD GONE OUT AMONG THE TREES."

"BUT MORE I FEAR WILL BE AMIABLY AND DISCREETLY
BEHIND CLOSED DOORS ON THE THIRD FLOOR, PLAY-
ING NOT FLUTES OR LYRES OR EVEN SAXOPHONES, BUT
POKER. STILL OTHERS WILL BE BOWED OVER A TABLE,
YEXED TO THE SOUL WITH THE RETURN OF XENOPHON
OR THE FALL, TOO LONG DELAYED, OF A CERTAIN
EMPIRE."

"A FEW WILL BE OFF IN THE VALLEY BARGAINING

FOR A BEVERAGE CALLED MOUNTAIN-DEW . . .

LATER THEY WILL HAVE CONSUMED THEIR PUR-

CHASE TO THE LAST SPRIGHTLY DROP AND WILL

BE BAWLING OUT DEPLORABLE BALLADS AND

POUNDING TABLES AND PUTTING CROCKERY TO

UNCOUTH NOISY USES . . ."

"NEITHER FROM EXPERIENCE OR
OBSERVATION CAN I QUITE SAY
WHAT THEY LEARN IN THEIR
ARCADIA, THOUGH THEY GAD
ABOUT FREELY WITH BOOKS AND
PADS. INDEED, MANY OF THEM
ATTEMPT TO ASSUME A STUDIOUS
AIR BY WEARING BLACK OXFORD
GOWNS."

"EACH MORNING THESE YOUNG MEN HEAR FLOAT-
ING ACROSS THEIR SEMI-CONSCIOUSNESS THE SEA-
SURGE OF THEIR OWN LANGUAGE AT ITS MOST
EXALTED—CLEAN AND THUNDEROUS AND SALTY."

"PURSUE THAT YOUTH AND ENTREAT HIM KINDLY. HE HAILS FROM ARCADY."

DEDICATION

TO HENRY MARKLEY GASS

Professor of Greek and Acting Vice-Chancellor

"We are all Greeks. Our laws, our literature, our religion, our art, have their root in Greece." Shelley.

ADMINISTRATION

CHANCELLOR . . .

Sewanee men everywhere realize that in the cultivation of the mental we must not overlook the spiritual. This, the greatest of Sewanee's ideals, is the reason that a churchman is the titular head of the University of the South. Bishop Juhan's dynamic personality, his gracious manner, and his wise leadership contribute greatly to the never-failing source of strength that Sewanee gives to her students and friends.

THE RT. REV.
FRANK ALEXANDER JUHAN
D. D.

Chancellor of the University
of the South and Bishop
of Florida

VICE-CHANCELLOR

Henry M. Gass, Acting Vice-Chancellor during the past year, has endeared himself to Sewanee men for over fifty years as resident, student, and teacher. Called upon in time of crisis to serve as Acting Vice-Chancellor, he has carried out his duties efficiently, wisely, and well.

ST. LUKE'S SOCIETY

The St. Luke's Society was first organized in 1946, growing out of the old St. Luke's Missionary Society. Made up of the entire Theological School student body, the society has as its aims the integration of all activities, and a closer connection of the Alumni to the school. To accomplish these successfully, the society has a system of six major committees and an executive council, which co-operate to carry out the most important activities, including missionary aids, lectures, social functions, intra-mural athletics, grievances between students and faculty, and publication of the THEOLOG, school and alumni newspaper. The outstanding social event of the year, a masquerade party, took place on St. Luke's Day, November 18.

ORDER OF GOWNSMEN

The Order of Gownsmen was founded in 1873 and has since evolved into the governing body of the students in the College of Arts and Sciences. Members of the Order include Juniors and Seniors in the College who have met certain scholastic requirements and all of the students in the School of Theology. The gown, symbolic "of that high and pure learning which is the ideal of the University", is worn to all classes, in Chapel, and at meetings of the Order. Definite privileges and **responsibilities** are extended to members; to them is entrusted the moral and intellectual leadership among their fellow students.

Under the agitation for a school ring from undergraduate sources Tom Foster, President of the Order for the winter term, formed a committee headed by Lewis Hill to conduct an inquiry into the matter. After getting in touch with a national ring concern, the committee submitted several designs for the Order's inspection, the most desirable of which was adopted in March. Along with the ring, Wellingtonian Joe Cushman presented to the body a design for a school tie which was also adopted.

PHI BETA KAPPA

Tennessee Beta Chapter

Phi Beta Kappa, national honorary scholastic society, is the oldest fraternity in the country, having been founded at the College of William and Mary in 1776. Its purpose is that of promoting scholarship among college students, and the prestige of Phi Beta Kappa is so great that its golden key is the most coveted award in American universities. The Chapter at Sewanee, known as Tennessee Beta, was established in 1926. An undergraduate who has completed five semesters with an average of 92, or six semesters with an average of 90, is eligible for election to membership.

ALPHA ALPHA CIRCLE

Omicron Delta Kappa was founded December 3, 1914, at Washington and Lee University in the tradition of the idealism and leadership of George Washington and Robert E. Lee. The purpose of the Society is threefold: first, to recognize men who have attained a high standard of efficiency in collegiate activities and to inspire others to strive for conspicuous attainments along similar lines; second, to bring together the most representative men in all phases of collegiate life and thus to create an organization which will help to mould the sentiments of the institution on questions of local and intercollegiate interest; third to bring together members of the faculty and student body of the institution on a basis of mutual interest and understanding.

Blue Key is both an honorary leadership fraternity and a service group with chapters on seventy-eight college campuses throughout the country. It elects men of good character and personality who are recognized as leaders in scholarship and college activities and who show potentiality of further achievement. The Sewanee chapter selects its membership from the Order of Gownsmen, tapping twice a year at the Thanksgiving and Spring Germans. As a service group, Blue Key undertakes projects every year with the purpose of furthering the interests of the University and community. It has

entertained guest speakers, visitors from other colleges, and teams coming to debate tournaments and all varsity athletic events on the Mountain. It sponsors the inter-fraternity singing contest held each spring, awarding a cup to the winning organization, and maintains a calendar of campus activities. The national organization publishes a quarterly and holds biennial conventions. Sewanee's chapter sent a delegate to the 1948 convention held in Chicago during spring vacation. Through these meetings Blue Key performs a valuable service, creating good will and exchanging ideas on problems common among American colleges and universities.

THE PROCTORS

The position of Proctor is one of the highest positions a student at Sewanee can attain. These men are elected each year by the graduating and returning Proctors with the approval of the Vice-Chancellor, the Dean of the College, and the Dean of Men, and they are chosen for their leadership ability. Proctors form the necessary link between the Administration and the student body in maintaining order and discipline in the dormitories, dining halls, and on the campus in general.

Left to Right, First Row: Guerry, Rogers, Davis, Shober, Cleveland. Second Row: Dickman, Stoney, Wynn, Snell. Third Row: Nelson, Howell. Not Pictured: Barrett, Irvin, Doss, Young.

Each year **Who's Who Among Students in American Universities and Colleges** recognizes students from approximately 600 colleges and universities in the United States and Canada. In selecting students to be recommended, the campus nominating committee considers outstanding effort and accomplishment in academic work, extracurricular activities, and service to the University. Inclusion in the publication is a national honor and means an incentive to scholarship and service.

WHO'S WHO

H O N O R C O U N C I L

Early in the life of this University, the student body was given the authority to regulate the conduct of its members. An honor system was adopted and has continued, with some modifications, to the present day. Upon entering the University, every student must accept the Honor Code, which says in part, "That any adequate conception of Honor demands that a man shall not lie or cheat or steal." Enforcement of the Code is the responsibility of the entire student body, and infractions are referred to the Honor Council, which is composed of two seniors, two juniors, one sophomore, one freshman, and one theological student, all elected annually by their respective classes. This committee is empowered to secure withdrawal of any student from the University found guilty of violating the Honor Code. The trust placed in the men elected to the Honor Council can hardly be exaggerated, for of all Sewanee's customs and traditions, none are more vital than our Honor System. Without it, Sewanee would not be Sewanee, and it is a credit to the University that the Honor Council's powers so seldom need be invoked.

Left to Right: Irvin, Foster, Guerry, Reynolds, Green, Bowman.

The purpose of the Pan-Hellenic Council is to coordinate and exercise some regulation of the activities of the social fraternities at Sewanee. Its greatest work is in regard to rush week, for it is the responsibility of the Council to supervise rushing by codifying and enforcing the observance of ethical standards for rushing and pledging which are suitable to Sewanee and reasonable for both rushee and fraternity. The Council's major accomplishment during the past two years has been the selection and establishment of Beta Theta Pi as the ninth social fraternity on the Mountain. The Betas have made a good start in their first year here and are fulfilling the need for another prominent national fraternity at Sewanee. This need was recognized when the existing eight fraternities were reactivated after the war, for they found it difficult to absorb the large enrollment increase. The Pan-Hellenic Council is composed of two representatives from each fraternity and officerships rotate among the fraternities, passing this year to Sigma Nu.

PAN-HELLENIC COUNCIL

UNIVERSITY CHOIR

Under the direction of Mr. McConnell, the Choir leads the singing at Chapel services and provides the offertory anthem on Sundays. It has also been the custom to present a series of special programs of sacred music throughout the year.

This year's first program was Andre Caplet's *Merse A Trois Voix*. At the annual Christmas carol service the Choir sang Bach's cantata *For Unto Us A Child Is Born* and several of the lesser known carols. This beautiful program was also

presented off the Mountain. Cherubini's *Requiem* was given on Good Friday as part of the observance of Holy Week. The series closes each year with a program on the Sunday before Commencement.

The Billings Group, chosen from the Choir, has also been active during the year, giving several programs of music by the early American composers. This group sang at Mr. McConnell's organ recital and provided background music for the production of *Everyman*.

STUDENT VESTRY

Because of the importance of the Chapel in life at Sewanee, the Student Vestry plays a large part in the activities of the University. This year the group has procured guest preachers and has fostered a series of talks by these guest ministers for students interested in the ministry. Among routine duties, the Vestry cares for the physical properties of the Chapel and determines how the Sunday offerings will be used. One-tenth of this year's offerings has been given to the Navajo Indian District under the charge of Bishop Stoncy, and special offerings and gifts have been made to Midway Mission and St. Mark's School, both of which are established institutions on the Mountain. These and similar activities are carried on each year by the Vestry in conjunction with the Chaplain.

Left to Right, First Row: Bedell, Wright, Prowse, Stoncy. Second Row: Chaplain Wilmer, Davis, Pickard.

A COLYTES' GUILD

The Acolytes' Guild exists for the purpose of providing servers for the services in All Saints' Chapel and the hospital chapel. At the beginning of the year there were only some half-dozen students who had both the interest and the experience necessary for serving at Holy Communion. During the first semester, however, after thorough training, nearly every member enjoyed the privilege of serving at a Eucharist at least once.

There were services other than serving in Chapel that the Acolytes performed. As usual, they collected the money generously contributed by the students to supply the colored school children of Sewanee with milk at

noon every day. They gave a small amount of manual assistance to the building of the Church at Midway. Other activities were directed toward spiritual growth. The acolytes had a Corporate Communion every month, and they participated in evening meditations given by the Chaplain.

During the year the Chaplain arranged a series of informal talks, to which the acolytes, the pre-theologs, and other interested students were invited. Bishop Stoncy opened these Sunday evening discussions, speaking about the ministry as a prospective life work for the college student. Other guest speakers discussed the various phases of the Christian ministry.

Sopherim is the mother chapter of the national honorary literary fraternity, Sigma Upsilon. Founded here in 1903 as Sopherim Literary Society, it took the lead the following year at a meeting of similar societies from six other Southern colleges in establishing the national fraternity. Members are elected to the local chapter from the student body in impartial competition solely on the literary merit of original papers submitted to the group. Submissions are not limited as to subject and may be in the forms of poetry, fictional and non-fictional prose, translation and drama. This year Sopherim has initiated a program to reorganize its national fraternity which became dormant during the war. Plans included a national conference of delegates from all Sigma Upsilon chapters on April 22 and 23 at Sewanee and the establishment of a permanent national office here.

This publication is designed to encourage the more serious and capable writers of the student body to display their talents in the field of literary endeavor and to give to the entire Mountain an idea of what is being accomplished in this field. HELIKON has received favorable and unfavorable criticism from various sources but is rapidly being recognized throughout the South for its genuine efforts. Under the capable editing of John Caldwell, two successful editions of the magazine have been issued during the academic year 1948-49.

CAP AND GOWN

The **Cap and Gown**, the University yearbook, is the record of the life at Sewanee for its students and friends. It is the job of the staff to capture not only the activities but the spirit of Sewanee on the pages of **The Cap and Gown**. We have worked with this end in mind.

SEWANE E P U R P L E

The **Sewanee Purple**, published by the students of the University of the South, semi-monthly during the school year except during vacation periods, includes a staff of forty-one men, in addition to those who are classified as candidates-for-membership. The newspaper is divided into five departments: news, features, re-write and composition, sports, and business. The organization includes an editor (Harold E. Barrett), three associate editors (Harry McPherson, George Young, and Allen Bartlett) a sports editor (George Reynolds), and a business manager (Bill Logan). It is the duty of the editor to

see that the various departments function efficiently and in harmony with each other; the three associate editors handle the news, features, and re-write and composition respectively; the sports editor gathers and assimilates all sports news and designs the sports pages; and the business manager is in charge of finances and distribution. Each of the five departments is composed of from five to ten men, whose contributions are confined almost entirely to that department in which they work. In an attempt to assure a continuity of publication and pattern, a school of journalism, in which the barest essentials are taught, is sponsored by the **Purple**.

DEBATE COUNCIL

The Debate Council sponsors the intercollegiate and intramural forensic activities of the University, including all single debates, tournaments, and University contests. Re-activated last year after several years of wartime inactivity, the Debate Council's teams participated in state, regional, and national tournaments. The Debate Team composed of Christopher Davis and George Reynolds placed as runner-up team for the Men's Championship in the National Tournament in Fredericksburg, Virginia in the spring of 1948. The Council reinstated the University Forensic contests, which had been discontinued during the war years and this year sponsored the eight college Sewanee Pre-Season Debate Tournament, won by Christopher Davis and Albert Reynolds of Sewanee. Teams were again sent to various other debating and speaking contests.

In the spring of 1948 a number of undergraduates formed the Sewanee Music Club, the purpose of which is to further the musical education and appreciation of its members by exchange of knowledge and talent and also to stimulate a deeper interest in music among Sewanee students and residents. Program-meetings are held twice each month, at which times students and members of the faculty have presented illustrated talks on a variety of subjects ranging from the harpsichord to the modern jazz idiom. On March 9, the Club presented Miss Rose Suzanne der Derian, lyric-dramatic soprano, in a public concert. Encouraged by the enthusiastic reception given Miss der Derian, the Music Club hopes that this will mark the beginning of a series of entertaining and worthwhile musical programs.

MUSIC CLUB

PURPLE MASQUE

Purple Masque, the dramatic society of the University, has had the largest enrollment in its history this year. Membership is obtained through the accrument of twenty-five points earned by back-stage and acting participation in the plays. The 1948-'49 season included the usual variety of productions ranging from the classic drama to the modern farce. The first presentation was "Out of the Frying Pan," a farcical comedy, followed by the annual group of three one-act plays, presented in coordination with Alpha Psi Omega and directed by its members. George Bernard Shaw's classic drama, "Androcles and the Lion," opened the second semester's program under the direction of Mr. Rhys instead of Mr. McGoldrick, the regular director of Purple Masque productions. Sewanee's Thespians have scored a successful year in presenting the Mountain with an enjoyable season.

Alpha Psi Omega, largest of the national honorary collegiate dramatic fraternities, selects its members in recognition of meritorious work in college dramatics. It is the custom of the Sewanee cast, Beta Tau, to undertake one project each year: the presentation of three one-act plays in conjunction with Purple Masque. These plays are directed by members of Alpha Psi Omega. Beta Tau limits its membership to fifteen students, all selected from Purple Masque, and eligibility is determined by a point system, which requires both acting and back-stage work. Those who consider their talents to be primarily of a histrionic nature are thus encouraged to be well-versed in use of hammer, saw, and paint brush as well as in costume, makeup, and spotlight.

GERMAN CLUB

The Sewanee German Club is composed of two members from each fraternity, two from the non-fraternity group, four officers elected by the Club, and a faculty member appointed by the Administration. Through the capable leadership of its President, Harold Prowse, and hard work of the members, the Club has proved its efficiency even more this year. For the first time since its reorganization two years ago the Club has been able to bring such big name entertainers as Sonny Dunham, Francis Craig, Snooky Lanson, Clyde Trask, and Dean Hudson up to the Mountain. More elaborate decorations have also been noticeable. As for its purpose, the German Club is directly responsible for the production of the University dances, and it is thereby setting the tone of Sewanee's social life. The Club engages the orchestras, manages equipment, finances, decorations, and refreshments for each function.

Los Peones was founded November, 1948, for the dual purpose of increasing proficiency in conversational Spanish and of promoting amiability among the students on the campus. The organization has a maximum membership of fifteen, who must either have already completed two semesters of Spanish, or be in the process of completing them at the time of election. Jack Stephenson, Wells Hanley, and Louis Rice devised the scheme of a Spanish-speaking group which would, in addition to their obvious attainments in the language itself, maintain the social standards of a true "buen vivador." Senores Lewis and Cromer serve as faculty advisors, but the major portion of the operations are carried out by the members. The traditional dress of Los Peones, the sombrero and the serape, are worn by the members at the various social functions which are held throughout the year. The most successful of these functions occurred no March 18 at which time the Peones triumphed over the Wellingtonians in a tug of war held behind the old gymnasium.

THE "S" CLUB

The membership of the "S" Club is composed of the men who have earned a letter in a varsity sport. Their chief activity, this year, has been the operation of a snack bar at all of the football and basketball games. The proceeds from the snack bar were used to purchase a new basketball scoreboard. The varsity participation trophy, which the "S" Club first sponsored last year, is, perhaps, the award most jealously coveted by the fraternities. This cup is awarded to the fraternity which can boast the greatest number of captains, lettermen and squad members participating in the varsity sports.

The Intramural Athletic Council, under the leadership of Athletic Director Gordon M. Clark, supervises Sewanee's intramural sports program, consisting of five major sports and various minor competitions. The Council is composed of members from each fraternity, the Outlaws, and the Theologs. It draws up the schedule and rules governing each sport and awards points toward the Intramural Cup to the winning teams. The Cup is won by the organization having the greatest number of points at the end of the school year. The interest shown in these sports and its guidance make Sewanee's one of the outstanding intramural systems.

TO THE SEWANEE TIGERS OF 1946

Well, by now when people ask you what defense we use, you, no doubt, automatically say 6-1-1. Of course, we hope we never learn a 5-3-0 or a 4-4-0. Just before Washington we had our aim on a 7-0-1. Well, our secondary sure looked like zero at odd times, not to mention a flickering of zeroes up front.

Poor old "Chuck." Just think, in 1946, he was our tailback, and he made ten touchdowns, with us using a 4-3-0. When any one of our six tailbacks made a touchdown this year, he struck for the next three games. Never have so many contributed so much.

If you good seniors want to buy us something nice, let me suggest a big brand new bus. You can go ahead and mark the destination sign, "Mississippi," for we are going back in '49. But just one request, please don't paint your bus red. If we ever leave here in a

red bus again I am going to jog along by the side. It will be less tiring than prancing up and down the aisle and asking the driver every five minutes, if he thinks he can make the next telephone. And, too, there would be no vibration from the earth.

You were all a grand bunch of fellows to work with. I feel sure no team in the nation had a more cooperative spirit than you did. And our faculty, cheerleaders, and student body deserve a big hand for their fine backing.

Dr. Guerry believed in you fellows both as football players and young men of character and distinction. I am sure you will always strive to carry on as he would have you do.

Best wishes to each and all.

Sewanee's Right!

Athletics stand for more than just a business here at Sewanee. It exemplifies a way of life, with the desire to win. We play the game hard, but not for a living. We play for enjoyment and the love of sport. Many schools are fast realizing the value of our system and are adopting a similar course. When we meet these schools that play for the love of the game, there is a desire to win merely for the sake of winning. There is sport and competition in the highest sense. This system

THE WINNING INCENTIVE

is relatively new at Sewanee, but our records have been impressive. We have lost only two football games in the past two years, a record which few teams can match. At times over one-tenth of the entire student body have participated in a single football game. Anyone can come out for football, or any other sport, and expect an equal opportunity. This system brings athletics and its benefits closer to each individual student of Sewanee.

SEWANEE 20
SOUTHWESTERN 0

It was a cool clear night in Tuscomb, Alabama, when the Tigers met the Lynx of Southwestern in their initial game of the season. Early in the game Duff Green intercepted the ball and returned for a long gain to the Southwestern 44. Power plays by Bryant and McDavid set the ball in position for Green to take the ball and weave thirty-one yards to pay dirt. On the opening play of the second quarter Stewart intercepted a Lynx pass and returned it forty yards to the 50, but Bryant was forced to kick due to penalties. Neil Speake blocked a Lynx kick on their 19-yard line. A series of passes failed, however, and the Lynx took over on downs.

In the early minutes of the second half Sewanee regained by Prince McDavid. He, then, carried the ball into the end zone, but the play was called back on a holding penalty. The Lynx punted, and on the following play Green weaved the ball bouncing off would-be tacklers for forty-six yards to the goal. Bomar converted. The next play a pass to Green picked up twenty yards. McDavid and Bryant pounded to the 1, and Bryant leaped over for the score. Again, Bomar converted to cinch the game with a 20-0 victory.

SEWANEE	12
MARYVILLE	6

On a warm October afternoon the Highlanders of Maryville College invaded Hardee Field at Sewanee. The Tigers were scored on for the first time this year early in the first quarter. Vengefully the Tigers, led by Bell and McDavid, powered the ball to the end zone to tie the score. John Stewart, who played a brilliant defensive game, intercepted a Highlander pass on the 28, Prince McDavid then carried the ball for a first down on the 18, and Stewart slipped around left end to the 1, where Bell drove over for the score.

Behind 12-6, the Highlanders came back fighting, driving the ball to the Sewanee 5, but Bell crashed through from the line backer position to smear them for a six-yard loss. Maryville desperately passed into the end zone, but Frank Alford intercepted on the 1 to divert the attack. Maryville again rolled deep into Tiger territory, but Tommy McKeithen intercepted on his own 10 and effected a beautiful return. A series of penalties pushed the ball deep into Maryville territory, where the final gun sounded with both teams battling their hearts out.

SEWANEE 20
MISSISSIPPI COLLEGE 19

On October 16 at Clinton, Mississippi, home of the Mississippi College Choctaws, the Tigers were fighting to keep their slate clean. A fumble on the kickoff put the Purple team on the defensive at Reed Bell and the line play of the superb line-backing of Reed Bell and the line play of Simmons and Speake finally halted the drive on the 9. Sewanee took over and drove to mid-field, where they were forced to kick. Mississippi promptly kicked back, but Duff Green caught it over his shoulder, headed for the side-lines, and raced sixty-six yards to score. The extra point was blocked, and Sewanee led 6-0. The Chocs started another drive which bogged down on the 30. The Tigers took over and started a campaign of their own with Bell's power, ably assisted by Colhoun's passes to Lamb and Russell. Colhoun went over for another score. Hamilton's aim tally late in the period. The Chocs led 13-0. The Mississippi score stood 13-7 at the half.

The third quarter was a battle of lines, but the Chocs came back to tie the situation 13-13 in the first of the fourth. Hall was substituted for McKeithen, who tossed a pass to Russell, who, in turn made a phenomenal catch on the 4. Bell drove over from that point, and Hamilton split the uprights to put Sewanee in the lead 20-13. The Chocs were still in the game; however, and scored again in the closing moments with a long pass. But the kick was wide, and the boys from the Mountain added another win to their record by dropping Mississippi 20-19.

SEWANEE CENTRE

21

7

On October 23, the Tigers faced Centre on Hardee Field. The Colonels received the opening kickoff but were unable to get under way, and Sewanee took over on its own 20 on a touchback. The next play Bell fumbled and Centre recovered on the Purple 19, whence the Colonels scored in seven plays. The kick was good. Following a series of punt exchanges the first Purple scoring drive started from the Sewanee 32. By early in the second quarter Sewanee had reached the Centre 34 when Colhoun passed to Russell on the 1. Bell finally scored, and Hamilton's conversion balanced the tally 7-7.

Tom McKeithen, whose bulldozer tactics made him the sparkplug of the decisive second half, came to the front in its early minutes, but his biggest moments came later. He reached the goal line, and Bell scored; the kick was good. Soon after the muffed punt on the Centre 6, McKeithen intercepted the kickoff the Colonels relinquished the ball and tuckians hammered to the Centre 24, where the Ken-nated until Moore intercepted a pass in the final minutes and the Tigers took over on the Centre 44. The Purple backfield, led by McKeithen, slammed through the line nine times to another score, which was successfully converted. There was time left for the kickoff and no more; the game was Sewanee's, 21-7.

SEWANEE 20
HAMPDEN-SYDNEY 13

In the hills of Roanoke, Virginia, the Tigers met Hampden-Sydney for their fifth tilt of the season. The hard-fought first quarter featured Bell, McKeithen, and McDavid, who powered the ball, while Wynn and Green sparked the defense. The highlight came when Green returned a Chewning punt for fifty-three yards and a touchdown, but the play was called back on a penalty. In the early minutes of the second quarter the Tigers traveled on passes from McDavid to Lamb, and on McDavid's fast, powerful running. McDavid fired to Green in the end zone for the tally, and Hamilton converted. Late in that period Stewart passed to Russell for a deep gain, and McDavid powered to the end zone for the second tally, and again Hamilton converted.

In the early moments of the second half the Tigers forced a deep attack, but the ball was lost on downs. Late in that period Green intercepted and returned to the 7, where Charles McDavid powered over on a quarterback sneak in the early moments of the fourth quarter. Fine defensive play was turned in by Speake, Captain Smiles, and Rogers. Chewning of Hampden-Sydney reeled off two touchdowns in the fourth that made the game exciting to the end with a final score of 20-13.

SEWANEE MILLSAPS

7

7

A fighting squad of Millsaps Majors held Sewanee to a 7-7 deadlock in a hard-fought game played under the lights on the Majors' home field. The undefeated Tigers scored early in the second quarter and maintained their lead until halfway through the final period. With only minutes left in the last quarter, Millsaps completed three successive passes, the last one for the touchdown that tied the score.

Throughout the first quarter neither team seemed able to get its offense rolling. Early in the second period a Millsaps fumble was recovered by Sewanee on the Majors' 21-yard line. The combination of Tom McKeithen's smashing drives and Dud Colhoun's accurate passes moved the ball down to the Millsaps 1, from which Reed Bell plunged through the center to score for Sewanee. Ed Hamilton kicked the extra point.

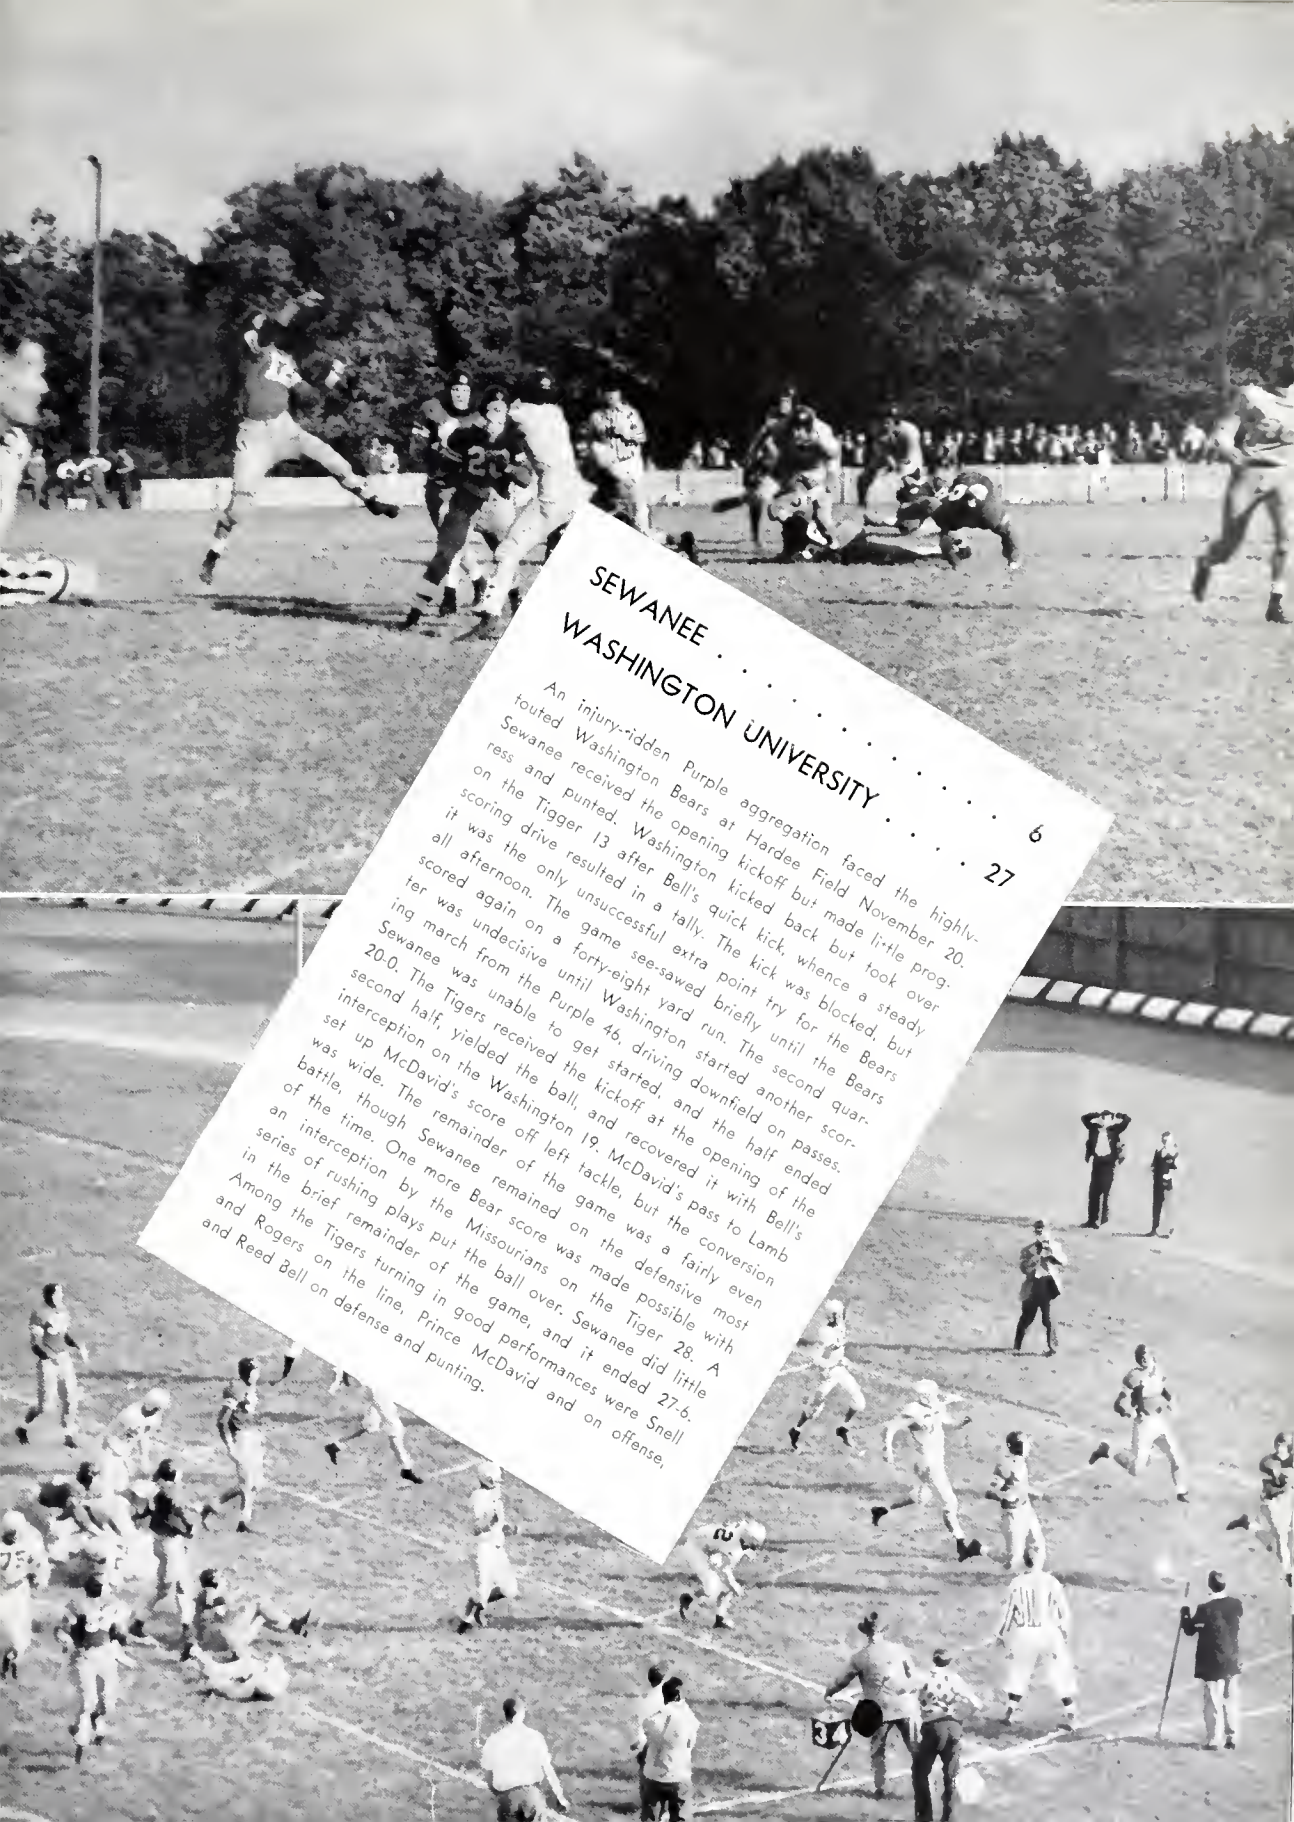

Brilliant play by Millsaps' MacIntosh was responsible for most of the damage to the Purple Tigers. His long runs and spot passes set up the Millsaps score, and it was a fourth quarter pass from MacIntosh that finally brought the Major tally. Stewart's placement tied the score. The game ended a few minutes later with no further scoring, but with Sewanee on the move again.

SEWANEE 27
KENYON 13

Facing Kenyon on Hardee Field November 13, Coach White played the second and third strings nearly the entire game. Sewanee kicked off to the Lords, who soon found themselves in a bad position and punted. The Lords reached the Kenyon 1 but lost the ball on downs. Bryant soon scored. Pratt's pass interception after the kickoff proved futile, and Kenyon scored shortly thereafter on a fumble and a pass. Hamilton, McKeithen, and Stewart escorted the ball across in a few plays after the kickoff. Hamilton converting. The struggle was fairly even until late in the half, when a Lord scoring threat was stopped by Green's interception on the Purple 10, and McKeithen scored from his own 34. The second half was little more than a series of Sewanee touchdowns, the first being made by Hamilton just after the kickoff. Kenyon replied with a scoring drive from their own 7, making it 27-13. After some indecisive action, Colhoun scored from the 49 in two plays. Kenyon punted, and Guerry made a magnificent paydirt run from the Sewanee 34. The game's last minutes were enlivened by the Tiger B-team, who took over on two separate occasions and whose halfback Jim Ed Mulkin scored the last marker.

SEWANEE 6 WASHINGTON UNIVERSITY 27

An injury-ridden Purple aggregation faced the highly-touted Washington Bears at Hardee Field November 20. Sewanee received the opening kickoff but made little progress and punted. Washington kicked back but took over the Tiger 13 after Bell's quick kick, whence a steady scoring drive resulted in a tally. The kick was blocked, but it was the only unsuccessful extra point try for the Bears all afternoon. The game see-sawed briefly until the Bears scored again on a forty-eight yard run. The second quarter was undecided until Washington started another scoring march from the Purple 46, driving downfield on passes. Sewanee was unable to get started, and the half ended 20-0. The Tigers received the kickoff at the opening of the second half, yielded the ball, and recovered it with Bell's interception on the Washington 19. McDavid's pass to Lamb set up McDavid's score on the defensive even battle, though Sewanee remained on the Tiger 28. A series of rushing plays put the ball over. Sewanee did little of the time. One more Bear score was made possible with an interception by the Missourians on the Tiger 28. A brief remainder of the game, and it ended 27-6. Among the Tigers turning in good performances were Snell and Rogers on the line, Prince McDavid and on offense, and Reed Bell on defense and punting.

INTRAMURAL FOOTBALL

The Snakes against Birmingham-Southern

Intramural football was as hot as the proverbial Fourth of July firecracker, as the Sigma Nu's banged out wins over the A.T.O.'s and S.A.E.'s, and thus skyrocketed into the top position. Gordon Warden proved to be the spark that ignited the Sigma Nu's power, as he passed, ran, and kicked the Snakes to their second straight championship. From the opening day, when the Outlaws battled the Kappa Sigs until the championship game between the Sigma Nu's and the S.A.E.'s, the outcome was unpredictable. The A.T.O.'s, Outlaws, S.A.E.'s and Sigma Nu's got off to good starts, but the Outlaws lost two players and two games in mid-season and were eliminated for the heated race for first place. As the final week of play began, the Snakes, Sig Alphas, A.T.O.'s and Delts had a crack at the title. The Sigma Nu's had been upset by the Outlaws, 13-6. The Sig Alphas had been humbled by the Snakes, 13-0. The A.T.O.'s had been thumped by the Delts, 14-12, and the Delts lost to the S.A.E.'s, 12-2, and were tied by the K.A.'s, 7-7. The Delts were the first to fall from title consideration, as they dropped successive tilts to the Phi Gams and the Sigma Nu's, but they still managed to take fourth place by defeating the K.A.'s in a play-off. The A.T.O.'s also dropped two decisions, one at the hands of the S.A.E.'s and the other to the Sigma Nu's to wind up in third place. These two teams made it through the week undefeated and finished the regular season each with one loss. The championship battle was one of Sigma Nu offense against S.A.E. defense. The Snakes threatened throughout the game, but were unable to cross the double-stripe. In the fourth quarter, Jack Sherman intercepted a Sig Alpha pass and ran it to the S.A.E. one yard line. On the next play Warden passed to Keyser for the touchdown, the try for the extra point failed, and the Sigma Nu's walked off with the Championship, 6-0.

BASKETBALL

The surprise on the Sewanee sports scene during the past year was the advent of a thing practically unknown on the Mountain—a winning basketball team. Basketball had never enjoyed prominence or real popularity at Sewanee before this year, but with the arrival of the colorful new coach, Lon Varnell, this condition suddenly changed, and basketball made a very definite place for itself in the University sports program. Coach Varnell was faced with a tremendous task. Only two lettermen reported for early practices, and it soon developed that four freshmen were to be on the starting line-up for the first half of the season. Only two men on the entire squad had played together before, and the majority had never seen each other before September. Adding to this the fact that Coach Varnell was also new to the scene, a bleak outlook appears to have been permissible. The Purple Tigers' first game of the season resulted in an unimpressive win over Murfreesboro Trade School, 42-30. The Tigers' superior conditioning spelled the difference over the older and more experienced Murfreesboro club. In their first clash with real college competition, however, the local hoopsters were handed a 62-38 shellacking by Centre Col-

Frank Alford and Dudley Colhoun

lege. The Praying Colonels, from a basketball-conscious section of Kentucky, repeated on the following day, though less decisively, 43-28. On the day before Christmas vacation the Sewanee basketballers found themselves, and established a new single game scoring record by running free over Cumberland, 71-56. Sewanee's success was short-lived, however, for the ensuing three-week layoff dulled the edge that had been attained, and the Tigers dropped two on a road trip,

Reed Bell and Dick Doss (Alternate Captain)

Berry College winning a close one in Rome, and the Birmingham-Southern machine laying it on, 60-40. Returning to the Mountain, Varnell's charges were edged by the highly rated Southwestern Lynx, 41-39, but things began to look up again for the Mountain cagers as they rounded back into form and avenged an earlier defeat by trouncing Berry, 55-39. The new semester held much in store for the Purple Bengals. The layoff due to exams was not as exacting as had been expected, and three new players, Joe Hall, Bobby Dyer, and Bob Lockard, transferred from other schools and immediately moved up to varsity positions. After only a few days' practice the revamped quintet notched a 32-29 win over Birmingham-Southern, and three days later romped over Cumberland, 77-44, breaking the scoring mark again. The following week-end proved the most successful of the entire season as the Sewanee Tiger reached its peak and downed Millsaps and Mississippi College on a road trip by scores of 61-53 and 55-53, respectively. Joe Hall set an individual scoring record for a single game with 27 points against Millsaps, and the team as a whole demonstrated its real worth by coming from behind in both encounters. The win over Mississippi College marked another record as the seventh win of the season surpassed the previous record of most games won in a single season, formerly held by the 1931 team. The Tigers split with Florida State on the Tallahassee trip, winning the first, 43-35, but losing on the

second night, 46-39. On returning home, the locals took two close ones from Carson-Newman, 52-50, and from Millsaps, 44-40. Sewanee dropped the season finale, 55-38, to Carson-Newman on the latter's home court, but the record stood at 10 wins against 7 losses, for the best record in the history of the sport at Sewanee. Basketball's future at Sewanee is very bright. Only one man, Reed Bell, will be lost by graduating, and from all indications, several talented newcomers will be on hand to bolster the team next year. Expected back is the enthusiastic support of the student body, thrilling

at Joe Hall's sharpshooting, Dyer's rebounding, Russell's post work, Captain Waddy's all-around floor play, Logan's driving layups, and all the other features which went to make up Sewanee's most successful basketball season on record. The other show, which itself was worth the price of a season ticket, will be there. Over in the corner, on (and off) the Sewanee bench, will be the man who brought the basketball bug to the Mountain and who instills his overall enthusiasm and love for the game in his team and the spectators.

CAPTAIN TOMMY LAMB

T R A C K

This year's cinder pounders got off to an early start and have been giving Hardee Field a beating every afternoon. The overall picture looks good. Tommy Lamb, the captain, is back along with Miles Wynn, Wynn Ragland, Bruce Burch and Duff Green, all lettermen.

Coach Bridgers expects to be strong in weights with Bill Austin and Nick Willard handling the shot and Bev Laws tossing the javelin. Tommy Lamb and George Elliott are doing well in the hurdles. Definite improvement will be found in the pole-vault with Jim Moss leading the high-fliers. Wynn and Jim Pratt have been spinning the discus well for an early season showing. We look ragged in the high jump, but Lamb and Seagram are really stretching out in the broad jump. Ragland and Perkins will well dominate the middle and long distance runs. In this early part of the season Green seems to be the fastest in the 100 yd. and 220 yd. races. The team is working hard with Coach Bridgers and shows promise of really taking some points this year.

GOLF

Winning dual matches with Emory University and T.P.I., defeating the University of Tennessee, the University of Mississippi, East Tennessee State, Southwestern University and losing to Birmingham-Southern and once to Vanderbilt University, the climax of the 1948 tennis season came with the victory over Vanderbilt spearheaded by Captain Guerry's amazing comeback and defeat of Billy Ferguson, the Tennessee Inter-Collegiate Champion.

Several interesting and tennis-filled trips were taken by the team coached by Dr. Bruton and managed by Lew Holloway. These journeys were to Birmingham, Oxford, Memphis, Cookeville, Knoxville and Johnson City. John Guerry captained the team, leading the Varsity netters Gerard Brownlow, Hunley Elebash, Scott Irvin, Blackburn Hughes, Phin Percy and Duke Schramm, to one of the most successful seasons in several years.

The prospects for the 1949 season at this point appear fairly bright with the return of Guerry, Elebash and Irvin from last year and a promising group of contenders for the remaining positions. Chief among the hopefuls at present are Warden, Keyser, Lee, Gast, Dake, and Jackson.

Top to Bottom: Hunley Elebash, John Guerry, Scott Irvin.

The 1948 Golf team, hindered by three opening losses to Howard College, University of Mississippi and Southwestern, soon found the fairways, winning the next seven matches and tying one. Sewanee topped many a bigger foe, such as Emory, Vanderbilt, and Georgia Tech. More honors were taken in the T.I.A.C. as Rust, Wesley, Baker, and Tynes turned in a 10-stroke aggregate lead of 593 to cop team honors. Bryan Rust and Jack Walton (Southwestern) each carded 143 for individual honors after 36 holes of medal play. Walton's 4 under 68 won him individual honors in the 18-hole play-off.

The Sewanee linksters begin their 1949 matches with only three returning lettermen and the '49ers will have to pitch and putt to make a better showing. With returning lettermen Rust, Belser and Tynes plus the aid of some talented freshmen, Coach Cheston foresees a winning 1949 team.

Bryan Rust's consistence and ability to hit the pin make him a top-notch golfer, holding the record of seven under—or 65—over the tricky Sewanee layout. He finished last year with a 74 average and is a senior now. Warren Belser "forms" the ball straight down the middle, and is deadly around the green. Sophomore Bayard Tynes is the tee-shot artist with a '48 average of 76.

Top to Bottom: Bryan Rust, Warren Belser, Bayard Tynes.

TENNIS

Winner Perkins is pictured receiving cake from Dr. Frierson.

The Cake Race this year proved to be the usual pleasant event for all freshmen. This is a race that can be enjoyed by all, for it winds around the beautiful wooded roads, up and down hills for an exhausting two and one-half miles. At half-time on a beautiful week-end all frosh set out for a refreshing jaunt through the woods. But somebody didn't play the game quite fair. Sewanee's Cross Country team entered the race and came in with flying colors, taking with them, also, the cake. Art Perkins set the pace and was never seriously pressed to the finish. Leading the field with the team honors were the A.T.O.'s.

This year witnessed the beginning of an excellent cross-country team, the first in the history of the University of the South. Under the able coaching of Dr. David Frierson and the capable leadership of Captain Wynne Ragland the group developed into a superior team of well-conditioned runners. In their first meet the Purple and White runners were defeated by a seasoned Maryville team. The Tigers overcame the handicaps of a late start and inexperience and defeated Oglethorpe University in the next meet. Later during the season the Tigers again met the Maryville Highlanders and made a very creditable showing. The first intercollegiate season of Sewanee's cross-country team ended here with an overwhelming victory for the home team over the T.P.I. distance men. All members showed a remarkable improvement during the season, and all are expected to be back next year. Outstanding among the runners were Arthur Perkins, John Stewart, Wynne Ragland, and Harold Prowse, all of whom received letters at the end of the season.

ALPHA TAU OMEGA

Tennessee Omega of A.T.O. has an impressive record since its installation as the first fraternity on "the Mountain," and particularly since its reactivation after the war. The present chapter, which has the highest scholastic average of any A.T.O. chapter in the nation, has had possession of the Sewanee intramural scholarship cup since 1946. Tennessee Omega holds the varsity participation cup in addition to placing high in the intramural sports program last year. That "Blackfeet" are active in all phases of Sewanee life is evidenced by the fact that they are well represented in Phi Beta Kappa, Omicron Delta Kappa, Blue Key, *Who's Who In American Colleges and Universities* and the University Debate Council. This year Tennessee Omega supplied captains for Purple football and track teams. Traditional highlights of the Sewanee social calendar are the A.T.O. Spring tea and Christmas Open House.

BETA THETA PI

The Sewanee Colony of Beta Theta Pi, youngest of the University's nine fraternities in its local history but oldest in the date of its national founding, has now completed its first year, in which time it has laid strong foundations for the future Beta Chapter on the Mountain. When Sewanee's expanding enrollment made the addition of a ninth fraternity desirable, the University Administration and Pan-Hellenic Council extended Beta Theta Pi an invitation to colonize. This invitation was in turn considered by Beta's national representatives and was given their enthusiastic endorsement; the Vanderbilt chapter was selected to sponsor the new colony; and from the close of the fall rush season of 1948, the Colony has been in full operation. The major project during the current year has been the redecorating and furnishing of the house. This project, on which work was begun with the opening of the second semester, is now completed, and the Betas are enjoying the advantage of an attractively furnished and conveniently located place of their own. With this important step accomplished, the Colony looks forward to its chartering ceremony, with which it will proceed to the full status of a chapter of Beta Theta Pi.

Beta Theta of Delta Tau Delta opened the 1948-49 season with a vigorous and successful rush week, netting fourteen men, who were pledged by the end of the rushing program. Among the activities of the week were a formal dance with Don Q and his Orchestra, a banquet, and several informal dances. In accordance with traditions of the Mountain, the pledges sponsored the annual Open House early in the fall semester, thereby initiating the round of fraternity open houses. These functions were followed by another formal dance at the "Shelter" in November. Attendance was at a capacity with dates from nearby schools and home towns. It was a Delt week-end not only for the Chapter but also for alumni who returned to the Mountain for the dance and other gatherings of an informal nature. Later in the semester, game tables and other paraphernalia were put in readiness for a Monte Carlo party, which was declared thoroughly successful. During the second semester several parties were given, among which was an Apache party in May. Turning from the indoor to the outdoor, Beta Theta participated actively in intramural athletics. Football and basketball seasons closed with the Delta in the first division of both sports. During the spring season, the chapter fielded teams in all the minor sports and planned to capture honors in softball and swimming.

In preparation for the opening of school in September, the old Kappa Alpha mansion was redecorated downstairs, and new furniture was added to the living room. The social calendar was initiated with a steak dinner at Claremont in honor of the pledge class, followed by a Parisian party in November. Described as the most successful in decades, this party was only the beginning of a never-ending succession, notable among which was the gay Forty-Niner week-end, given by the pledges for the actives. In January, the Chapter with the valuable assistance of Mrs. Moise gave its Sixty-Sixth Annual Robert E. Lee Tea. The efforts of all the brothers together with the ever-present atmosphere of Southern hospitality went to make the Tea a great success. In the spring other functions were planned and executed with adroitness. In the field of intramural athletics, the "Crimson Team" retired the volleyball trophy and captured other honors to place well in this phase of Sewanee life.

Tennessee Omega of Kappa Sigma began the school year with a formal dance in their house honoring the newly established colony of Beta Theta Pi, and on December 10, Founder's Day was celebrated with a banquet at the Dubose dining room at Monteagle. The annual Christmas ball was held the following Saturday at the House. The motif was in the usual Yuletide tradition with holly, mistletoe, and other customary decorations. The pledges furnished entertainment during intermission, and the mistletoe was used decidedly to an advantage. The pledges took as their project for the year lawn beautification and continuation of the nightly coffee hour custom. On February 10, ten men were initiated, and two weeks later, the Chapter initiated Mr. Brinley Rhys, professor of English. Following his initiation, a cocktail party was held at Claremont, and this was only the beginning of other social functions that took place in the spring.

Gamma Sigma of Phi Gamma Delta successfully brought to a close its reconstruction period this year. Recently a war casualty, the Fijis have fast rebuilt themselves into a unified, progressive fraternity. Great improvements have been made on the Mansion, including the construction of a new chapter room, bar, and office, which are the fruits of a highly successful alumni drive. These improvements plus a new kitchen, a patio on the east side of the house, and a change in interior decorating are the changes you will see for this year. Since an Open House, held to introduce the pledges to the social life of the Mountain, the Fiji Mansion has been rocking with the usual Sewanee parties. Starting with a steak fry-hay ride combination and a unique Roaring Twenties party the first semester; and climaxing the year with the annual Pig Dinner, to say nothing of barbecues, breakfasts, and informal dances, the Phi Gams have proved that life at Sewanee is not socially dull, inspite of the lack of co-education.

Tennessee Beta of Phi Delta Theta has concluded one of its most successful seasons in years, which began with rush week and ended with Commencement. Representing the Chapter on most varsity athletic teams of this year was a large contingent of Phis, and many honors were conferred on members in the field of scholasticism and school service. Parties have definitely not been in the background this year. One of the first social functions, after the round of parties rush week, was the chartering of a bus to Tusculumbia to see the Sewanee football team meet her first opponent. The dance week-ends found the Chapter with many functions of varied description, and this spring, in spite of unusual weather, the annual Spring Formal was held at the House with a large number of young ladies from near and far as guests and Don Q and his Orchestra as music.

To begin the series of Sig Alph social functions the pledge class of last fall sponsored the annual Open House, followed by a Hobo Party in December, which was acclaimed thoroughly enjoyable by all those who attended. In December, a Hamburger Supper was given by the Chapter in honor of Alumni, and the Founders' Day Banquet was held at Monteagle on March 9. On the week-end of March 18-19, a gala Roman Holiday was onserved. This and other functions before and after German Club dances brought the social calendar to a close, except for the usual Commencement gatherings. The Chapter had participants in all varsity athletics, and in the intramural league several trophies were retired, including the Intramural Cup. Tennessee Omega is currently engaged in a complete redecoration of the house, the installation of a new heating system, and the construction of a game room in the basement.

Sigma Nus returned in September and found construction in progress on a patio, a gift of the alumni and a memorial to the members of this chapter who were lost in the war. Soon after the open house given by the pledges, the fall costume party was held. The house was "tilted", decorated to represent the inside of a sinking ship, and the guests came as they were when the ship went down. Variety was the keynote with dress ranging from tails to towels. In the field of athletics, Sigma Nu was represented on almost every variety team, placed well in most intramural sports, and won the touch-football trophy. As the year drew to a close, attention was focused on spring sports, dances, yard improvements, and the inter-fraternity sing, with Sigma Nu again making top honors. The White Rose Formal was the main social event before Commencement, and with the usual co-operation of a certain Nashville institution, this year's dance repeated previous years' successes.

I especially enjoyed appearing on the mountain at your recent mid-winter dances. Best of luck to you and all Sewanee men—
